That would be great! It is going to be exactly the same.

Thanks for the email! Glad to hear it worked out ok. I can help run one that day. If its just a repeat of exactly what we did last week, I can schedule that and get you a registration URL today.

Thank you,

Hi Jean – Dana, Walter and Krysti would like to repeat the National Fitness Standard webinar to accommodate those OSCs who missed it due to vacations and the Gold King Mine Response. Would you, or Mike, be available to assist? They are currently looking at Sept 17, 3pm-4:30 ET? (there were 2 other dates they were looking at, but they fell during the new OSC academy,

so those aren't going to work).

Thanks for all of your help getting everything ready for the webinar last week. We really appreciate it.
